PERSONAL PROFILE

I have 5 years' experience in the digital field, most recently in a Software Testing position. With my expertise in both IT and Data Analysis, I can help make your project not only high-quality but also commercially successful.

I enjoy running, swimming and hiking. I am fond of watching outdoor movies. If you are a movieholic like me — join anytime. I am a healthy lifestyle oriented person who adores dogs.

TECHNICAL SKILLS

SQL (BigQuery, MySQL, TablePlus), Google Sheets / Excel, posit.cloud (R Programming), Tableau, Jira, Trello, Querio, Segment
